

DATA SHARING WITHIN THE EU DIGITAL MARKET

Faculty of Management, University of Warsaw, Szturmowa 1/3, Room C

14-15 September 2023

Please register to the conference [here](#)

14 SEPTEMBER 2023

Welcome address (14:15-14:30)

Grzegorz Karasiewicz, Dean of the Faculty of Management, University of Warsaw

Maciej Bernatt, University of Warsaw and CARS

Laura Zoboli, University of Brescia and CARS

Opening keynote speech: Toward a (Fifth) Freedom of Movement for Data? (14:30-15:00)

Lilla Montagnani, Bocconi University

PANEL 1: Data sharing in the EU regulatory framework (15:00-16:45)

Chair and discussant: Marco Botta, EUI

Adrianna Michałowicz, University of Łódź, *Data sharing for the common good. Concerns about the practicality of data altruism provisions under the DGA*

Oles Andriychuk, Newcastle University School of Law, *EU Digital Markets Act Data Sharing Obligations: Calibrating the Objectives*

Katarzyna Klafkowska-Waśniowska, Adam Mickiewicz University, *The quest for the fifth freedom: access & sharing of data and information from the EU law perspective*

Lola Montero Santos, EUI, *Can the EU Regulation of B2B Data-Sharing Achieve its Desired Goals?*

Coffee break (16:45-17:15)

Book roundtable: Data sharing in Europe. A Critical Assessment of Regulatory Frameworks (forthcoming in Routledge, 2024). (17:15-18:30)

Chair and discussant: Maciej Bernatt and Laura Zoboli

Speakers: Marco Botta; Björn Lundqvist; Joanna Mazur; Lilla Montagnani; Laura Zoboli

Speakers Dinner (20:00)

15 SEPTEMBER 2023

PANEL 2: Data sharing, innovation and competition (09:00-10:45)

Chair and discussant: Maciej Bernatt, University of Warsaw and CARS

Sharon Sandeen, Mitchell Hamline School of Law, USA, *Mapping Secrecy in the EU's Data and Digital Markets*

Emanuele Fazio, Sant'Anna School of Advanced Studies, *Experimental competition enforcement: a complementary data regulation toolkit*

Monika Woźniak-Cichuta, University of Warsaw, Clifford Chance, *Digital data-driven mergers: is data sharing remedy a panaceum?*

**Final Conference of the project 2018/31/B/HS5/01192
(Opus grant by the Polish National Science Centre)**

With the support of the
Erasmus+ Programme
of the European Union

Eugenio Olmedo Peralta, University of Málaga, *The creation of data pools as information exchanges: antitrust concerns*

Coffee break (10:45-11:15)

PANEL 3: Data portability and interoperability (11:15-13:30)

Chair and discussant: Joanna Mazur, University of Warsaw

Selçukhan Ünekbaş, EUI, *The Verticalization of Data Portability*

Camilla Signoretta, Sant'Anna School of Advanced Studies, *Towards a clash between IPR enforcement and portability: underestimated challenge (or opportunity?)*

Aleksandra Wierzbicka, College of Europe, *Is the GDPR an Achilles heel of the DMA data sharing obligations?*

Oscar Borgogno and Giuseppe Colangelo, Central Bank of Italy, University of Basilicata, *Shaping interoperability for the IoT: the case for ecosystem-tailored standardisation*

Nicolò Zingales, Fundação Getúlio Vargas Law School, *Data Sharing and Interoperability in Digital Ecosystems: A Regulatory Toolkit Approach*

Lunch (13:30-15:00)

PANEL 4: Data sharing ecosystems and the health sector (15:00-16:45)

Chair and discussant: Laura Zoboli, University of Brescia and CARS

Emanuela Arezzo, University of Teramo, *(Impossible) access to clinical trials data: between trade secret protection and data exclusivity right*

Irene Sánchez Frías, University of Málaga, *The complex balance between patients' control over their personal data and the benefits of health data sharing for secondary uses. A look into the challenges of the European Health Data Space proposal*

Antoni Napieralski, University of Vienna, *Who is Sharing Medical Data? Interoperability of Roles under the EU Data Law*

Closing keynote speech: Toward a (truly) sectoral framework for data sharing? (16:45-17:15)

Björn Lundqvist, Stockholm University

City walk for interested participants (18:00)
