

Legalisation of stay – informational meeting online

Do you ask yourself following questions: Do I need to legalise my stay? How can I do it during a pandemic? We all know that the subject of legalisation of stay in Poland might seem extremely complicated in the beginning! That's why Welcome Point would like to invite all students for two informational meetings on legal issues concerning residence in Poland.

The meeting will be led by specialists from [The Association for Legal Intervention](#), who professionally provide assistance in legalising the stay of foreigners.

This year's edition will be held online due to the pandemic.

- Meeting conducted in **English: 9th November 2020, 1:30 pm.**
- Meeting conducted in **Polish: 10th November 2020, 1:30 pm.**

The programme of both meetings includes:

- Legalisation of residence in Poland (visa, permanent residence permit)
- Differences between student visa and a temporary residence permit
- Procedure of application for a residence permit
- Taking up a job during studies
- Legalisation of stay after obtaining university diploma
- Polish descent and Card of the Pole holders' rights
- Special solutions for foreigners caused by the outbreak of the coronavirus pandemic
