

TENTATIVE: GlobalMBA Travel Schedule: 2015/16

The following table provides critical dates for the GlobalMBA program; in particular, the date at which all students must be in each location and the earliest possible date of departure are shown. Exceptions will *not* be granted, except in the case of true emergencies (e.g., a death in the family) when *prior* permission has been received from the program director at that location. Students who are not in the appropriate location may face severe penalties, possibly including expulsion from the program.
